Dear Stella,

Greetings from Oklahoma! I hope that you are settling back into your lives with renewed spirits after our great week of love and service in Maine. I always find a new inspiration of hope and giving after conferences like the one we had at Bowdoin College.

I am writing to offer you some music which is produced here in Oklahoma City by Master Spirit Music Publishing Co. These three tapes and the album are a collaboration of spiritual music which is bound to lift your spirits.

We are trying to generate some money so that we can go into the production of our next big project. We are planning to produce a tape which will be composed of original songs which are generated from The URANTIA Book. In other words, the tape will be relatively meaningless to anyone who has not read the book. We will donate all of the money generated from this tape to URANTIA Brotherhood. It is truly a service motivated project. It will be a lot of fun too. Perhaps we can have it ready by Christmas.

In the meantime, you can help us get off the ground by buying some of our present offerings. Thanks for helping out. I look forward to meeting you again soon. No doubt, we will meet many times on our Paradise path of loving service. I hope to hear from you soon.

Love always,

Tom Allen
