**Our Planet has had  
Five Epochal  
Revelations.**

**Each painting shows key dates,  
personalities, and locations.**

**Number one starts with the most  
distant view of our earth and  
each of the others shows by degree  
a closer view, until details can  
be seen of the city of Chicago  
at night. They are numbered  
alternating top and bottom.**

**Each painting took one year to  
paint. The originals are 36" x 48"  
acrylic on canvas, done with  
standard materials (painted with  
bristle brushes) by artist,  
John Byron.**

**They can be a visual aid and  
study guide. Your general understand-  
ing of these events are enhanced  
by dates, names, numbers and locations.**

**The prints are 16" x 21" on top quality  
paper. They make stunning wall  
decoration and on closer examination  
reveal an unprecedented visual  
sweep of the spiritual history of  
civilization on this planet.**
