Dear Dr. Sprunger,

Just to let you know that Dr. Tillich's secretary did call; she said he was so serious about all his correspondence, and if at all possible he wanted to work me in for an appointment, but couldn't promise this trip. She told me to write him at Harvard, if I didn't get to see him.

I went to the Waveland Congregational Church last Sunday, and it was Youth Sunday, and the young people of the church carried on the service in its entirety; I enjoyed it very much. I can see their pastor, Reverend Henry Freeling, is greatly beloved by his congregation. He is a friendly and gracious man. I didn't realize how free of dogma, creed, and ceremony the Congregationalists are! I wrote him a long letter last night and I truly hope he gives the Book a chance.

How is every thing at Culver? that is, the response of the congregation to the Book, etc.? I shall be so interested in hearing.

Best regards,

  
H. E. Karpis
