Dear Rev. Sprunger

I have available two copies of used
Ontario Books. I am sending you (probably
within two weeks) these books not as a
gift, but as an indefinite "loan" not to
be confused with the 7 books I gave you.
Eventually, I'd like to have them back. I
suggest you use them strictly on a local
basis either for personal reference or for
loaning to people for a period not
exceeding 30 days — so that if I ever
called for them you could return them

within six weeks to me.

Due to excessive travelling about, I'll not be able to use the books for quite awhile, and I feel they just as well be in use.

My best wishes to you and yours

Sincerely

Donald Sumner
