Dear Dr. Sprunger,

When I came off duty last night I was pleased to find your package had arrived.

I was excited and very grateful to you, and then proceeded to sit right down and read over half through the card preparation. It is splendid and I shall try to make good use of this wealth of material.

Thank you so very much.

Sincerely  
Pauline Billings

Dear Reverend Sprunger,

I am one of the Chicago Unitarians, fortunate enough to have heard you discuss the Book on Sunday at 533 University Parkway.

This week Miss Jennie Allen told me that you have prepared an Evaluation of the Book, also Questions + Answers.

Being a nurse my duty here do not permit me to attend the classes here, and I would like very much to have your material if that is possible.

I have used your Presentation to the Unitarians several times, giving it to friends when I gave them the Book, and it has been an introduction to
