

THE URANTIA BOOK

STUDY GROUPS AROUND THE WORLD

- SLIDE-TALK PRESENTATION --
1. To develop understanding and appreciation of our Foundation and organizations and of their functions.
 2. To build comprehension and unity of study groups and their potentials. They are the "building blocks" of our great movement. We must foster and strengthen them.
 3. To develop better understanding and love of our fellows.

The URANTIA Book tells us that the better we understand our fellows the more we love them...and that to learn to love them is the supreme experience of living. p. 1431
