Dear *Urantia Book* Reader:

Fifty years ago, through the work of many dedicated individuals, and in accordance with the instructions of our celestial overseers, the Declaration of Trust was signed creating Urantia Foundation. Five years before the book was published this Foundation was to prepare for the printing and gather people of means to assist in the publication, translation, and dissemination of the Fifth Epochal Revelation to our planet.

Today the job is even larger as we prepare to cover the earth with translations, offices, representatives, and the living truth presented by the fruits of the spirit portrayed in our lives. We have much to be thankful for. Thanks to your support, we have come far and now have a vibrant, growing organization.

We are celebrating the existence and the dedication of the early people, on whose backs we stand, by having a special 50th Anniversary Celebration in Chicago, March 17 through 19. This weekend we will be examining our future work as well as reflecting on our past and present.

As a part of the festivities, we plan to raffle off several items so all readers will have the opportunity to take part whether they are able to attend the event or not.

Random drawings will be held March 19 for the following items:
