W.C. White,

Sanitarium, Cal.

Dear Brother,

I enclose herewith a letter to Sr. White in harmony with your request that I put in writing the question concerning the dealing with old offenders in the Church. I know that you will see that anything that will help in the answer to this question will be sent to me for our consideration. I am very thankful for the good visit we had a few days ago, and hope the Lord will give us many more.

I am but a young man, but I have put my shoulder to the wheel. I have settled my purpose for life, and I am hungering and thirsting for knowledge as to how best to do that which God has entrusted to my hands. I know that you will pray for me and for the work here, and, too, for our brother with whom I am associated in this good work.

As ever yours,

W. S. Sadler
