Mrs. Robert W. Myers  

CONFIDENTIAL

Dear Mrs. Myers:

Thank you for your checks which have been delivered to the proper treasuries. The Bedell index has been mailed to you, as well as the Urantia Book to Bethel College. It is not necessary that you return the Constitution, so, unless you have already mailed it, please put it in your Urantia files.

Martin called us from a telephone booth along his route in the Chicago vicinity last evening telling us that he would not be able to get into town to see us, as he wanted to get to Middlebury before too late. He said his car was acting up a little bit and he didn't think it wise to come into the city. But we had a good visit on the telephone, and I was happy to learn from him that you and your husband might be here for the Triennial. He told me also that his father was not feeling 100%, which news I did not like to hear. I hope he is improving, however.

Dr. Sadler has made considerable improvement the last two weeks, and I feel that he is going to be in fine shape soon.

We had our last Society meeting yesterday, and next Sunday will have the annual meeting of the First Society, and then we will all take a little rest until September when we will start our School and Sunday meetings again. The only things on the agenda for the summer are the Triennial meeting, and Jesus' birthday celebration. Of course, Dr. Sadler will have his 92nd birthday on June 24th, but we are not planning a big celebration this year.

Affectionately,

E. L. Christensen  
Secretary
