Dear Mr. & Mrs. Sprunger.

What delightful hospitality springs from the Sprunger domicile!! To be unexpectedly included in family on an Easter Sunday is an experience I shall not forget here or hereafter.

It was an added pleasure to tell the First Waukegan Society on a Sunday afternoon of our Culver visit. Everyone in the group is always eager to hear news of the Sprungers. Indeed, you seem to be one of us.

You might be interested in knowing that our Society observed the "Remembrance Supper" for the first time since its organization on the Sunday following Easter. Our Mr. Kuliaka, Sr. presided, impressing us all with the simplicity

and true meaning of the occasion
as described in the paper on the
Lord's Supper. Commenting after
words, several think August 21st
a most appropriate time for such
a service in the future and I for
one hope it so develops.

Oh, we have lots of problems
to solve. It would be helpful to
have your ideas about a number of
things. You have a wonderful
set up to do your work and
a wonderful family to help.

Remember. The Bucklins will be
most happy to have you drop in on ^{them} ~~us~~
anytime you can make a Chicago visit
and I intend to enjoy another one
of your church services before too long.

Greetings to the family
and thank you all so
much for a lovely Easter.

Sincerely,

Mildred Bucklin
