Dear Mr. Dunn:

Thank you for your kind letter. I am always most happy to meet anyone who understands the significance of the Urantia Book. Your offer to help in some way is much appreciated. At present I am ~~much~~ limited in my ability to give copies of the Urantia Book to key people with whom I have personal connections. If you would find it possible occasionally to send me a copy of the Urantia Book, I would be ~~most~~ happy to give you the name of the person to whom it was ~~given~~ and relay his later response to you.

If you get close to Culver, stop and see us. It might be well to drop us a card so that we will be at home when you come. There are many things just beginning to happen; it will be interesting to follow. Thank you ~~so much~~ for your interest and friendship.

Cordially yours,

Meredith J. Sprunger

Dear Reverend Springer.

I recently read your two-page presentation of the Quanta Book, and I wish to commend you for your splendid vision, personal courage and profound conviction in the worth whiteness of the Quanta movement.

I have no official connection with the Quanta Movement, nor am I enrolled formally in any of their classes; but nevertheless it is a singular pleasure to hear of your serenity, forthrightness and most of all your admirable actions. I waited curiously for 7 years for the publication of the book (members were bound more or less by common secrecy not to divulge the nature of the book to non-Chicagoans before release of the book) and when I finally got a copy about 14 months ago I was paid for a great message by a member friend. But the book is more spiritually fabulous than I had dared to guess. So it is with unperishable intellectual and spiritual consonance that I commend your laudable actions.

Someday I should like the privilege of meeting you. Meanwhile, as a layman

With nothing but a simple desire to
assist such as you in any small way,
if possible, please let me know if I
can ever be of assistance to you in any
non-official way.

I travel a lot, but you can contact
me at my forwarding address: D. DUNN,
404 E. 10TH ST., K. C., MO.

I wish you and yours a Happy New
Epoch ahead.

Sincerely

Donald Dunn

P. S. I hope my birthday - Feb. 13th - will turn
out to be a birthday for many! (D.D.)
