January 16, 1957

Dear Dr. Sprunger:

I want to thank you and your wife for the fine dinner and visit with you last Sunday. Again, I want to congratulate you on your courageous and forthright sermon; I was personally thrilled and pleased to have such an able man a member of the Urantia Brotherhood.

Next Sunday I don't have to worry too much about the best way to present the Book to a pastor; a Dr. Corpening of one of the Baptist churches here in Chicago has invited me to his services next Sunday, and remain afterwards to introduce him to the Book. What a pleasure it is always.

By the way, Dr. Paul Tillich is in town and is giving a run of 16 lectures at Mandel Hall, 1131 E. 57th Street. I wrote him a letter asking for an appointment, but really don't expect a reply; he is a busy man. It does take just under 3 hours to drive from Culver, even on a bad afternoon.

If at any time I can be of help to you in any way, please do not hesitate to ask. At the end of this month when we hold our meeting of evaluating the progress of the Book I am going to recommend that any of the members having extra Books and desiring to place them where they can do good, send them to you.

Sincerely yours,

H. G. Karpner
