Dear Mr. Long:

A friend gave me a copy of your book, The Secret Science at Work. The conclusions reached are remarkably accurate. You appear to be an individual unafraid of truth, even if unorthodox. For this reason I believe you would be greatly stimulated by a recent book which is, I believe, the greatest book I have ever read. If you would be interested in reading this book, I shall be glad to send you a loan copy which you may return after you have read it. You would find it quite in harmony with the fundamental concepts of your thinking but going considerably beyond your "cosmology". Let me know your pleasure.

Sincerely yours,

Meredith J. Sprunger
