Dear Dr. Sadler:

We have just returned from the first part of our vacation. This year we are putting up the exterior of our main cottage in Upper Michigan and so have returned with well exercised muscles.

Thank you for your recent letter. We will be glad to talk with you August 19th. We will plan to be at your home after dinner, around 1:30 p.m. I am anxious to get into a number of things this winter in connection with the Urantia Book. During our recent vacation we visited with friends who have a cottage near us. He, Harry Dredeweg, is full-time synod president of our South Indiana Synod. We learned that both Harry and his wife are reading the Urantia Book and are quite impressed with it. In the limited contacts I have made with the book, reception has been excellent. When these are consolidated, we will gradually extend our contacts.

We hope that you are having a pleasant summer at your Indiana home.

Sincerely yours,

Meredith J. Sprunger

Dear Dr. Sprunger:

Received your letter, and I hasten off this letter with the hope that we could make the date of our visit August 20th. That afternoon I can have all the time I want. August 19th is pretty well blocked out. If, for any reason, you cannot make this change, I will do the best I can to get as much time as possible with you on the 19th.

Glad to hear the good news about the Bredewegs. Interesting things are coming in to the office here all the time about the progress of the Urantia Book. I will tell you all about the Index when I see you.

Sincerely,

William S. Sadler
