My dear Rev. Sprunger:

Replying to your letter of March 17, please be assured as soon as our friend feels that he has recovered sufficiently from a cold which has held him at his home, he has been planning to have us for lunch at Niles some time in the early or middle part of April, and you can rest assured that he is as anxious as we are. Then, too, I think he will want the pastor in Niles present, and in a talk with Rev. Santa, of the Community Church of this City, I believe he would like to go along, as he is decidedly interested in the book. We had a short discussion with him last night at a meeting at St. Peter's Church, where the matter of a re-location of this church was taken up.

By the way, Rev. Koehler presided over the meeting and I was quite surprised to learn today from Dr. Brueseke, who delivered a sermon at the Lenten Service, that Rev. Koehler had taken suddenly ill, and that he was now hastening home at noon, and if he wasn't better, they were going to take him to the hospital. He thought maybe he might have had a heart attack. If anything unusual develops, I will certainly let you know.

I was pleased to hear from you, and hope you will keep in touch with me.

Sincerely yours,

*P. A. Bent Reschler*
