❖ ❖ INTRODUCTION ❖ ❖

The URANTIA Book, source of the quotes in this daily calendar, is a wellspring of spiritual sustenance for many seekers worldwide. The book tells us it exists "to expand cosmic consciousness and enhance spiritual perception." It depicts the universe as our home, a truly friendly home, inhabited by countless orders of beings motivated by love. Its cosmic perspective offers a new understanding of the harmonious relationship between science, philosophy, and religion, clearly differentiating facts, meanings, and values.

This ever-timely perpetual calendar invites us into the central messages of The URANTIA Book, as reflected in different contemplative themes for each month. These twelve essential core values underlie the daily thoughts presented in selected quotations. Since the book includes a vibrant, expanded account of the life of Jesus, certain dates representing significant events in his life are noted. The URANTIA Book champions service to our human family and the development of our souls through worship of the Divine. Its high inspiration welcomes each of us to an eternal adventure of soul growth and value discovery.

❖ ❖ ❖ TRUTH ❖ ❖ ❖

of the realization of divinity and
