

OPENING PRAYER FOR THE CONFERENCE

Dear Father of every human being, who knows and loves each one of us, we thank you for this day. We thank you for this gathering of wonderfully fortunate individuals -- believers in the teachings of the URANTIA Book.

We are grateful, dear Father, for this forum for the sharing of spiritual insights, and for the exhilarating experience of greeting and visiting with old friends, and meeting new ones.

In this weekend of seeking and discovering, of learning and growing, may we open our hearts, increasingly, to receive the light and the love that you would bestow upon us.

Help us to grow in our capacity to love you in return, and to share your divine love with our fellows.

May this conference -- and may we as individuals -- truly be dominated by your spirit.

Thank you for the presence and the ministries of unseen friends. And dear God, your will be done.

Amen.

Jeffrey Bedell  
President of  
First URANTIA Society of Los Angeles
