

I'd like to submit a variation
of the Lord's Prayer to your
newsletter;

Our Father-

of whom we are your sons & daughters
Infinite Creator, Controller & Upholder of
The vast far-flung galaxies of
space - of which you are God
your kingdom come your will be done
on earth as is in Heaven

We thank you for bringing us together
& for your sustenance which you
ever place before us

Give us the wisdom to discern your
mandate
& the strength to follow it.

We are both humble & Thankful for
the exalted privilege of serving
both you & your Paradise Son at
this transition point in the age
of our planet

Give us the patience which breeds
forbearance, the understanding which
begets the compassion & leads
to the love & hence forgiveness
of all of our brothers & sisters
So that we may become perfect
even as you are Perfect
