

Father of Nebadon.

Father of Nebadon, Lord of Light,
Son of Mercy, God of Might.
Love and protect us, help us to pray,
Lead and direct us, show us your way.
Keep us from pride and all forms of sin
Tell us with courage each day we begin
In Faith and with Love we serve you still
As Sons and Daughters of the Father's will
And when our work on earth is through
We'll ascend the heavens to be with you
For all who make the sacrifice
Will find their home on Paradise.
