

Closing Worship Prayer

Tom Vasile

University of British Columbia, Vancouver Canada

1. Thank you Universal Father, Eternal Son, and Infinite Spirit. Thanks for the experience of life.
2. Thank you Jesus and thank you Mother Spirit. Thanks for being with us and providing us the opportunity to experience this adventure of living on Urantia.
3. Thank you Jesus for coming to our world and teaching us about the Fatherhood of God and the brotherhood of man.
4. Thank you for letting us know about the Universal Creator and the family of spiritual beings of whom we are a part.
5. We especially give thanks for bringing to our world The Urantia Book. Thank you to all the spiritual beings and material beings who help bring this revelation to us.
6. Thank you for enabling us to find The Urantia Book. We are eternally grateful.
7. And thank you for bringing us together here in Vancouver to fellowship with one another -- to worship, study, and play together. Thank you for giving us the opportunity to share in our faith in the enlightening message of The Urantia Book.
8. We pray that our experiences here stimulate us to more clearly perceive Your will in our lives so we can more fully work in harmony with each other and the spiritual beings among us. Give us faith, hope, and courage to daily do the Father's will.
9. May we in the Urantia movement increasingly work in harmony with each other, the midwayers, angels, and the host of other spiritual beings who are conspiring to enable the teachings of The Urantia Book to spiritually transform us and our world.
10. And finally, as we leave this conference, may we go spiritually up lifted to do our part in contributing to the Divine plan for the spiritual transformation of our world.
