

Dear Friends,

Here's to a healthy and happy 1988. Hopefully, this year will be a positive year for your study group, as well a year of growth and progress for The Fifth Epochal Revelation.

If this letter catches you by surprise and you are not familiar with The Jesusonian Foundation, we are a nonprofit foundation dedicated to introducing new readers to *The Urantia Book*. We are also the worldwide distributor of the *Concordex* and the *Paramony*. Our Board of Directors consists of Dr. Meredith Sprunger, Duane Faw, and myself.

Within the past year we have sponsored a booth for *The Urantia Book* at the American Academy of Religion as well as the Whole Life Expos in San Francisco and Los Angeles. Each show was carefully selected to insure *The Urantia Book* would only be on display under appropriate circumstances, (i.e.) gatherings of people currently involved in religion or those searching for new religious truth. We are not interested in mass-marketing the Revelation, but in working through the slow evolutionary fabric of society. However, we do feel that there are thousands of potential readers waiting to discover *The Urantia Book*. During the course of these shows, there were nearly 2,000 individuals who stopped at our booth to inquire about the Book. The net result has been a need for a good introduction to *The Urantia Book*, one that people can take home to re-read and think about.

Please, we need your help. The enclosed introduction is the collaborative efforts of Meredith, Duane, and myself. We have distributed it at a few shows with success, but we feel improvements can be made. Several imminent improvements are; (1) the order blank will be removed and replaced with writing, (2) the brochure will be in color.

Can your group offer suggestions on how you would like to see it improved as an introductory tool for new readers? What are we missing. How could it be more effective? Your thoughts on this subject would be greatly appreciated.

Once the brochures are complete we would be glad to make them available to you at cost.

Thank you so much for your time and consideration, and we look forward to your response. May our heavenly Father strengthen you and keep you as you go about his work.

In the Spirit,
