

## Good Cheer Press™

October 15, 1989

Dear Study Group Leaders:

This free postcard of John Byron's conceptual painting of the universe is for you. Plus, the free sample of a "Mustard Seed of Truth" is yours also.

Why are we giving these items to you? Because we want your study group to have wholesale price access to secondary works inspired by *The Urantia Book*. These works, generally created as "labors of love," can help you understand and share the revelation's supernal teachings. Hopefully, at these low special study group prices, everyone can afford secondary works.

As you can see by scanning our newest catalog, readers are creating more secondary works. Last year's catalog was 4 pages offering 16 products. This year's catalog fills 8 pages with 38 products, including 22 new items. We are anticipating next year's catalog to be further expanded, highlighted by Urantia Book related materials for children. As the book says, "...the security of civilization itself still rests on the growing willingness of one generation to invest in the welfare of the next and future generations." P. 941

In advance, thank you for purchasing from the Good Cheer Press™ catalog. Your support enables us to continue creating and distributing secondary works. Your study group support makes a big difference since the Good Cheer Press is a part of Jesusonian Foundation, a non-profit, un-affiliated organization dedicated to spreading the teachings of *The Urantia Book*.

Your order will be filled immediately. To order by credit card call our toll free number or return the catalog order form and a check in the enclosed self-addressed envelope. If for any reason you are not happy with what you've bought you have a full year guarantee to return it for a refund.

Be of good cheer and may our Heavenly Father's love strengthen you and keep you as you go about his work.

In the Spirit,

Mo Siegel, President  
Jesusonian Foundation

P.S. What new secondary works would you like to see developed? Please write, we need your opinions!
