The Concordex™

of *The Urantia Book*

by Clyde Bedell

Remember your favorite quotes on prayer and worship in *The Urantia Book*? What pages were they on?

Chances are, like most other *Urantia Book* readers, you frequently refer to the big blue book for inspiration and guidance. But finding your way through 2,097 pages can be difficult and time consuming. It's tough because the revelation contains thousands of important facts and valuable truths.

Quickly getting to the heart of the matter is what Clyde Bedell's Concordex is about. The Concordex to *The Urantia Book* is an index and a concordance combined. With over **110,000** references it can facilitate your search for words, concepts, ideas, topics, and themes.

The Concordex has thousands of references on critical topics:

- 8,975 on the life of Jesus • 215 on love • 130 on suffering and evil • 70 on marriage • 105 on war and peace • 260 on prayer • 410 on faith • 105 on the Mansion Worlds

The Concordex can help you:

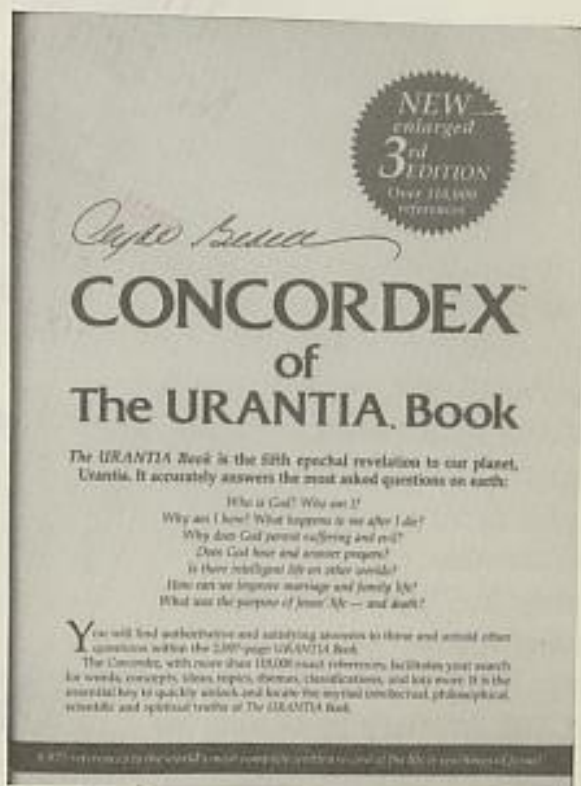

- Do topical readings and research on special subjects • Plan study group meetings • Find your favorite glimpses of truth and fact in the 2,097 pages • Introduce new readers to *The Urantia Book* • Discover new truths • Comfort

those in crisis by showing them needed passages • Save valuable time and energy • Solve problems by finding and applying revelatory answers

Two Wonderful Reference Books For Students of the *Bible* and *The Urantia Book*!

The Life and Teachings of Jesus

By L. Preston Thomas

How can we reach out to family, friends, and others on a religious level and spread the truth we have found? This book attempts to meet that need by providing a restatement of Jesus' life and teachings that is true to both the wording of the Bible and the teachings of the Urantia Revelation.

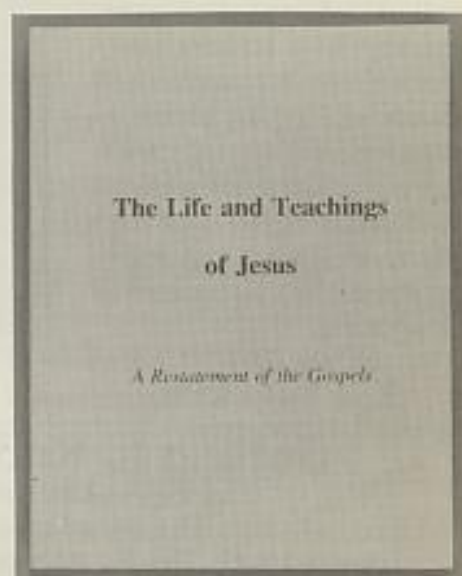

Five years in the making, this book was created by putting together appropriate verses from the New Testament gospels of Matthew, Mark, Luke, and John. Guided by *The Urantia Book*, these Bible verses are combined to depict Jesus' life and teachings in chronological order from birth through death and resurrection. This book attempts to encompass all of the true verses in the Bible concerned with Jesus' life and teachings. This means it provides an excellent way for *Urantia Book* readers to better know and appreciate the truths of the Bible. But even more, this format

makes it a wonderful resource for relating to a wide range of people, especially those with a Christian background. It is a trustworthy tool of ministry that we can use and leave with others for future enlightenment, guidance, and inspiration.

Of special note, this book gives us a way to follow in the direction provided by the new revelation—the return to Jesus and his original gospel of the kingdom. *The Urantia Book* is not self-centered; it does not point to itself, but rather to Jesus. It clearly points to this return to Jesus and his true gospel as the next great step in the earth's religious evolution.

The Life and Teachings of Jesus:

- Is a trustworthy tool of ministry
- Includes 256-8 1/2" x 11" pages
- Provides true guidance, comfort, and inspiration
- Harmonizes the Bible and *The Urantia Book*
- Has a simple, easy to follow format
- Quality binding with gold leaf stamping

The Paramony

by Duane Faw

25,000 cross-references between the Bible and *The Urantia Book*.

The Urantia Book tells us to extol the positive virtues of other people's religions. Jesus praised the best aspects in other people's religious traditions because he knew and understood them. So can you!

Now, you can easily cross-reference the Bible and *The Urantia Book* through *The Paramony*. *The Paramony* is a parallel and harmony between the Bible and *The Urantia Book*. *The Paramony* helps you cross-reference these 2 great books because it contains over 25,000 parallels, harmonies, and references.

Regular Price.....\$16.95

The Paramony helps you:

- Understand your religious heritage in relationship to *The Urantia Book*
- See the similarities and differences between *The Urantia Book*, Christianity, and Judaism
- Correlate teachings and stories found in both books
- Feel confident when talking to non-readers
- Make others more receptive to your ideas
- Encourage Christians and Jews to "open up" and share their spiritual thoughts
- Establish credibility and increase receptivity for *The Urantia Book*

Science and Religion

(The New Age beyond 2000 A.D.)

by K.T. Glasziou M. Sc., Ph.D, Australia

If you have friends who are uncertain about the compatibility of scientific and religious knowledge, this book may help. *The Urantia Book* tells us on page 1139, "In the mortal state nothing can be absolutely proved; both science and religion are predicated on assumptions." The biblical accounts of the resurrection and the claims of Jesus are examined in the light of new definitions of knowledge and truth and a core of belief is suggested having the potential to unite Christians in brotherhood with men and women of all religions in the worship of the one Father-God who is Love.

Finally, a short review of *The Urantia Book* extols the quality and universality of its teachings, and appraises its revelatory claims including mention of several of its many prophetic statements on matters of science that were unknown at the time of publication of the book and which were, in part, responsible for the author's acceptance of those claims.

Starwind

A study of space, time, Deity, and the multi-levelated nature of universe reality based on concepts in *The Urantia Book*.

Have you ever wished you could see the patterns hidden in the amazing information that fills the pages of *The Urantia Book*?

The revelators wrote that they left many things unsaid because of a lack of available human concepts and to encourage human speculation.

Now, after twenty years of contemplation, Troy R. Bishop has developed a unique set of *Urantia Book*-related concepts to assist you in your study of the Revelation.

Written with originality of thought and beauty of expression, *Starwind* is a must for the serious student of *The Urantia Book*.

Starwind will help you:

- Comprehend the complex teachings of *The Urantia Book*
- Glimpse the laws behind the phenomena described in *The Urantia Book*
- Conceive the nature of time and space
- Comprehend the timeless, spaceless lifestyle of eternity

The Family Meeting Handbook

by Robert Slagle, Ph.D.

Modern family life hangs in the balance between destructive pleasure mania and the lures of a higher civilization. The revelators saw this crisis and gave us guidance: Family LOVE is the corner stone of civilization and its only hope of survival; the noblest of all human achievements is the raising of a good family; and our society would greatly improve if we used family councils.

The Andites used family council meetings and so did Jesus.

If you've not had family council meetings, start now. Practicing this proven step by step system for increasing family teamwork will bring lasting positive results. Best yet, it works for all types of families, including single parent families and shared custody families.

"There is Life After Death" The Jesusonian® Magazine

Death of a loved one is statistically the #1 cause of stress in a person's life. It's the time when you want to comfort your grieving family and friends, but the words don't seem to come out right. You resist temptations to hand them *The Urantia Book* because you know they probably can't cope with a giant new book during this time of crisis.

For those in the pain and suffering of dealing with death

The magazine, "There is Life After Death" was written to comfort people who are facing death, feeling isolated in the universe, or suffering the loneliness and despair of the death of a loved one. It reviews *The Urantia Book's* positive promise that faith in God ensures eternal life in a loving, orderly, and intelligent universe.

This special report contains 38 original color paintings, photos, maps of the universe, and graphics specifically designed to help you understand the journey to Paradise. The writing is simple and the magazine answers basic questions about life in the universe, what heaven is like, how to be resurrected, does hell exist, and much more.

This magazine will help you:

- Understand life after death • Comfort loved ones • Graphically visualize the universe • Introduce new readers to the beautiful teachings of *The Urantia Book* • Inspire others to have faith • Clarify the ascension plan • Reinforce God's love for others

I PAUSE,
Amid the strife and fear,
To remind myself that you are here,
To let the peace and joy begin,
I need only let you in.

For you're the strength I haven't got;
The hope and love that I have not.
