

## ***The Urantia Book on*** **"Are Angels Real?"**

---

### **Guardian Angels:**

"The teaching about guardian angels is not a myth; certain groups of human beings do actually have personal angels. It was in recognition of this that Jesus, in speaking of the children of the heavenly kingdom, said: 'Take heed that you despise not one of these little ones, for I say to you, their angels do always behold the presence of the spirit of my Father.'" 1241:3

### **Angels are near you:**

"Angels are so near you and care so feelingly for you that they figuratively 'weep because of your willful intolerance and stubbornness.' Seraphim do not shed physical tears; they do not have physical bodies; neither do they possess wings. But they do have spiritual emotions, and they do experience feelings and sentiments of a spiritual nature which are in certain ways comparable to human emotions.

The seraphim act in your behalf quite independent of your direct appeals; they are executing the mandates of their superiors, and thus they function regardless of your passing whims or changing moods. This does not imply that you may not make their tasks either easier or more difficult, but rather that angels are not directly concerned with your appeals or with your prayers.

In the life of the flesh the intelligence of angels is not directly available to mortal men. They are not overlords or directors; they are simply guardians. The seraphim *guard* you; they do not seek directly to influence you; you must chart your own course, but these angels then act to make the best possible use of the course you have chosen. They do not (ordinarily) arbitrarily intervene in the routine affairs of human life." 1246:1
