Lawrence, Kansas

Dear Miss Rowley:

I am now entering my junior year at Kansas University and have had the opportunity to preach in Lawrence Churches. Needless to say, I am incorporating Urantia theology into my messages, and both my wife and I are profiting from a study of the book. By the way, some friends of mine and my wife and I are considering a trip to Chicago--mainly because Nancy and I are eager to meet you folks at 533 Diversey. This trip will probably come either on a week-end or over a vacation, such as Thanksgiving. How should we contact you? What is there to see? etc.

We would like to order three Urantia Brotherhood School texts, and will probably get more later. For now, please rush us The Teachings of Jesus at 5 dollars and 50 cents, Worship and Wisdom for five dollars, and Topical Studies, Part I for five dollars. Enclosed is a check for ~~10~~ dollars. Keep the change for shipping, etc.

\$16.50 ck

WE are praying for you, and hope to see you all this year.

Love,

Vern Grimsley
