

Only transformed individuals
Can create a transformed world
Only better men and women
Can fashion a better society
Only advanced citizens
Can architect an advanced civilization

All humankind is one vast family
This world our home
We sleep beneath one roof
The starry sky
We warm ourselves before one hearth
The blazing sun
Upon one floor of soil we stand
And breathe one air
And drink one water
And walk the night beneath one luminescent moon

The Children of one God we are
Brothers of one blood
And members in one worldwide Family of God
