

THERE IS DAWNING UPON THIS PLANET A SPIRITUAL RENAISSANCE which is ultimately destined to make more differences in this world than any war which has ever been waged, any battle which has ever been fought, any governmental, political, social or economic upheaval in all of human history.

AND YOU, IF YOU WILL, MAY BE PART OF IT.

Tune in the FAMILY OF GOD radio broadcast each weekday afternoon at 5:30 over KFAX, San Francisco, 1100 on the AM dial.

THIS VERY INSTANT,
THERE DWELLS WITHIN YOU
THE SPIRIT OF THE ETERNAL GOD!

YOU are part of the infinite God's virtually infinite creation, and you have an optimum function, things to do, purposes to fulfill--a thrilling adventure towards perfection which can begin for you here and now and progress into eternity.

CONSIDER:

:::The Universal Father is the Creator, Controller, and Infinite Upholder of all reality, the First Source and Center of all things and beings. God is your Father, and he loves you infinitely, uniquely, and supremely.

:::All men are kin to the Creator in one vast cosmic family, spiritual brothers and sisters with all the privileges and responsibilities of family membership.

:::The kingdom of God is within you; a vast spiritual potential for peace, power, purpose and joy indwells your mind if you will actualize it by living faith.

:::The Father knows your needs better than you yourself; to align your mind with the will of God is your greatest possible good.

:::Your life need not end at physical death; the adventure of eternal progression is yours for the choosing--and it can begin for you now!

:::God calls you to be true to the best you know--to give total allegiance to the supreme values: truth, beauty, goodness, and love.

:::The challenge to "Be perfect, as God your Father is perfect" can be achieved by every sincerely God-seeking individual, though age beyond age of evolutionary progression be required to accomplish it.

"The kingdom of God is within you," JESUS came to show the divine way, the will of God for each person. He came to teach that we are children of the Universal Father, and that we can come to know this as a daily, transformative personal experience. THE ESSENCE of Jesus' way is LOVE and SERVICE --to love God with all your heart, mind, soul and strength and to love your neighbor as yourself.

Jesus taught the way of being most alive, not merely an abstract doctrine or system of thought. And Jesus actually was what he taught!

THE LIVING GOD is found by living faith alone--by assuming the truth and then acting on that assumption; by daring to live by the highest and noblest inner leadings; by being willing to share your inner life with God; by a trusting commitment to him.

YOU as an individual are known and loved by God, with whom you may have spiritual fellowship--THIS VERY INSTANT!

But finding God is a decision, a deliberate exercise of your own God-given free will. The spiritual satisfaction of doing good to your fellow men is the highest happiness, and to that you are called: to experience, and to share with others, the reality of the Father's love.

"HE WHO SEEKS WILL FIND," SAID JESUS. MAY THE JOY AND PEACE OF FINDING AND KNOWING GOD BE FOREVER YOURS!
