Dear Bruce: I  
have little concrete  
information about  
"Rocky" and "Lawren," but  
Am substantially  
unimpressed by the  
literature published by  
the "Earth's Order."  
<sup>leaders of</sup>  
Chicago URANTIA  
headquarters ~~are~~ are  
dismayed by the "Earth's  
Order" because this group is  
using the URANTIA name  
without legal authorization.  
I would stay clear  
of them.

Dear Vern & Nancy,

Greetings! Here is our 'Summer Session 1974' for those of you who might be interested.

We are trying to find out about this so-called "Earth Order of Melchizedek" but no one seems to know very much about it for certain. I also understand that the Foundation sent you some information about 'Rocky' and 'Loren' "Melchizedek" who seem to have stirred up things somewhat. Can you share this information with us so that we may better deal with the situation?

Sincerely,

Druce

The Planetary Country School  
Summer 1974

This year we are offering an opportunity for individuals and groups to stimulate spiritual growth amid peaceful natural surroundings combined with advanced studies of The Urantia Book. We have a beautiful setting on the Tuolumne river within the Stanislaus National Forest which is ideal for rest, relaxation, meditation and spiritual renewal. Our program of study is flexible but there will be two organized outdoor sessions each day. There are public campgrounds\* adjacent to the school and hotels and motels within 15 miles for those who do not wish to camp. Registration closes June 21st.
