

Only transformed individuals
can create a transformed world
Only better men and women
can fashion a better society
Only advanced citizens
can architect an advanced civilization

All humankind are one vast family
This world our home
We sleep beneath one roof
the starry sky
We warm ourselves before one hearth
the blazing sun
Upon one floor of soil we stand
And breathe one air
And drink one water
And walk the night beneath one luminescent moon
The Children of one God we are
And brothers of one blood
And members in one worldwide Family of God

THE SPIRIT OF THE ETERNAL GOD DWELLS WITHIN YOU!

THERE IS DAWNING UPON THIS PLANET
A SPIRITUAL RENAISSANCE
which is ultimately destined to make more differences in this
world than any war which has ever been waged, any battle which
has ever been fought, any governmental, political, social or
economic upheaval in all of human history.

AND ANYONE WHO WILL SO CHOOSE,
MAY BE A PART OF IT.
