

THE FAMILY OF GOD FOUNDATION, INC.
BOX 347, BERKELEY, CALIFORNIA 94701

TO OUR BELOVED FRIENDS:

Here is a list of the stations in our U. S. network as of January 1, 1978. The list was made to do many jobs, and we hope it serves you well.

Please write to the stations carrying "On Campus" and the "Spiritual Renaissance Broadcast" in your area. A phone call or a post card to the station every six months lets them know you care. Without listener support, many stations will not continue to give us the free air time we enjoy from over ninety-five percent of our network. Request more times, better times, longer times. Encourage your friends to encourage their friends to listen and write. Request that the program be aired at a regular time. Call to find out the time if you do not know it or do not find it at the expected time. And let us know, too, if our information needs to be revised. Stress, to the extent you truthfully can, that you are a regular listener of their station.

This information will be maintained in currency by the aid of a correction sheet until next year when we will redo it. If you have any suggestions, send them to the Media Relations Department.

The living gospel of Jesus, the Fatherhood of God and the brotherhood of man is being proclaimed in this trail-blazing radio ministry. Thousands of listeners write for literature and counsel. Reams of pamphlets go out month after month, as the spiritual renaissance dawns upon this planet. Our labors are but a gift to the larger network of spirit born sons and daughters of God. You are a vital part of that network, and your continued participation is important to the success of the Father's purpose for our world.

We wish you a year of successful broadcasting of that seed which is the truth of God!

Yours in the Father's Family,

Jeffrey Wattles
