Dear Mo;

Greetings once again; the weeks and months roll on and it is time for another Quarterly Report, those communications which for me are marking the meter of a growing ministry. Our work continues to improve both in technical quality, and in our ability to really take advantage of the medium for in-depth communication. I thank you once again, for making possible this effort. Your support has done much to set in motion a powerful means for spiritual change in our world.

I am looking forward to seeing you and the family at the General Conference in August; I trust that we will have some time to talk, compare notes, and project a few ideas for the future of this work. Until then, I send you my best, and again, my thanks.

In the work of the Father's family,

David Kentor
