

*All humankind are one vast family  
this world our home  
We sleep beneath one roof  
the starry sky  
We warm ourselves before one hearth  
the blazing sun  
Upon one floor of soil we stand  
and breathe one air  
and drink one water  
and walk the night  
beneath one luminescent moon  
The children of one God we are  
and brothers of one blood  
and members in one worldwide  
Family of God*
