

## FLORENCE BEDELL DEPARTS URANTIA

Florence Bedell, wife of Concordex Author Clyde Bedell, died on \_\_\_\_\_ at the age of \_\_\_\_\_.

The Bedells had lived in loyal wedlock for \_\_\_\_\_ years.

While we know that Florence is liberated and joyously meeting new challenges and adventures on the Mansion Worlds, our sympathies go to Clyde in this, his time of profound loss and bereavement.

And yet Clyde too is a philosophical and practical man...and has asked that instead of flowers, sympathizers should send a a donation to the Family of God, \_\_\_\_\_, Berkeley, California, \_\_\_\_\_ to aid them in their work of disseminating the essential teachings of the URANTIA Book in their radio ministry.\* Your thoughtful checks, in memory of this devoted woman Florence, will thus, unlike cut flowers which perish, help plant seeds of truth in the growing spiritual renaissance on this planet.

\* In Family of God Broadcasts, URANTIA Book quotes are never used...the Book is never even mentioned by name...but the basic teachings of the Fatherhood of God and the Brotherhood of Man are carefully incorporated.
