Dear John,

We all want to thank you for your support over the past year. Due to your support, we have been able to expand our programming efforts to cover the Middle East, Europe, China, and new territory domestically.

The following represents the amount of your contribution for 1979: \$ 1,000.

A more detailed progress report by Vern, as well as a financial statement showing our activity will follow later this spring. As will be apparent in our financial statement, every dollar contributed bears direct outreach results.

The greatest truths which we mortals can hear is being proclaimed with increasing power to millions around the globe.

We thank you.

Yours in the Master's Service and Friendship,

Gerd
