Executive Committee of URANTIA Brotherhood
Attention: John W. Hales, President
533 Diversey Parkway
Chicago, Illinois 60614

Dear friends:

Please find attached a copy of our October 30, 1983 letter to Vern Bennom Grimsley terminating his agency as Special Representative of URANTIA Foundation. This relationship was terminated as a result of our strong desire that Vern's latest activities, especially as they concern receipt of certain alleged "messages" from the Spirit World, not in any way be linked directly or indirectly to URANTIA Foundation.

Four of the five members of the Board of Trustees have grave reservations about the wisdom of Vern's latest course of action, not to mention the validity of his alleged spirit messages.

The letter terminating Vern's status as Special Representative of URANTIA Foundation is signed by the Vice President of URANTIA Foundation as the President did not wish to sign it on behalf of the Trustees.

We hope and urge that in dealing with the Vern Grimsley matter in all of its ramifications, including his warnings of war and the need to prepare therefor, that URANTIA Brotherhood will make its decisions and conduct its affairs only after giving due and reasoned consideration to all proposals for action, using as its guide evolutionary experience and common sense as amplified by the inner spiritual experience of each of its decision makers.

This letter is representative of the views of four of the five members of the Board of Trustees.

Sincerely,

URANTIA Foundation

Dear Vern:

While we are grateful for the service you have rendered on behalf of URANTIA Foundation in the past, we now believe it appropriate that the Trustees terminate your September 15, 1973 appointment as a Special Representative of URANTIA Foundation and we hereby so do effective immediately.

We wish you well in the future.

Very truly yours,

URANTIA Foundation
