

The School of Meanings and Values

March, 1990

Dear Urantia Book Readers,

The School of Meanings and Values is pleased to invite you to a special event. Marlene Chicoine will present her popular and timely workshop...

The Evolving Human Family -- Relationships...Marriage...Family

The workshop will be held on Saturday, April, 21 from 10:00a.m. to 5:00pm. The attached announcement provides further details.

This event is just one of the classes being presented in our 1990 program. We have already conducted two four-session field classes entitled ***How Jesus Taught***, which were presented to study groups in Van Nuys and Whittier. We welcome the invitation from other study groups to present this series of classes.

Classes dealing with ***The Urantia Book and Comparative Religions*** are being planned for study group presentation in the Fall and Winter. We anticipate having representatives from major religions contribute as speakers.

Finally, the Board of Directors is preparing a ***celebration day for Jesus' birthday*** in late August, open to all.

Further announcements on these classes will be forthcoming. In the meantime, we look forward to seeing you at the April 21 workshop.

In Joy and Love,

The School of Meanings and Values
