Dear Robert:

Thank you for your application and your interest in The Boulder School. I am pleased to inform you of your acceptance to The Boulder School, as I am confident that all of us would benefit from your participation. Thus I look forward to greeting you here in Boulder at the earliest possible time, that you might make whatever living/employment arrangements you may require before the beginning of classes September 20th.

I will be at the Kansas City Regional Conference April 16 - 18, and will be giving a talk Sunday morning on the School. Should you be attending the conference, please make a point of seeing me then.

As we need to confirm attendance, I am enclosing a Declaration of Intent for you to sign and return to me as soon as possible, for space is limited, and we are accepting students on a first come, first served basis. I will be sending you a copy of the Classified Ads from the Boulder newspaper sometime this summer. I wish you to know that we will assist you in any way that we can. Some of the students will no doubt be purchasing homes nearby and renting apartments to fellow students.

We commend you for the commitment you ^{would} make, confident that in association with your fellow students, you will prosper in learning and doing the will of our Paradise Father for the sake of all who sit in darkness and confusion upon this backward and isolated outpost in the starry realms of Orvonton.

Sincerely,

JDH/cp
