Dear John:

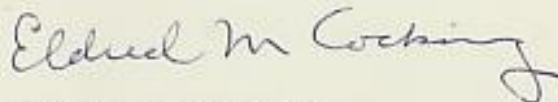

We much enjoyed meeting you last fall and discussing the revelation which means so much to all of us fortunate enough to be aware of its terrrrific potentialities.

I would like to offer my best wishes to you in getting the School underway. From the brochure and from what Clyde tells me, I feel certain it will meet a great need now and in the years to come.

I would very much like to participate as a teacher in this project, and hope that some day it will be feasible to do so. However, Helen's health requires us to stick close to home for the forseeable future.

Meanwhile, the success of the Boulder School and the extension of the kingdom of God will be very much in my prayers.

Sincerely

Eldred M. Cocking
