Mr. Richard Keeler  
Box 161  
Solana Beach, California 92075

Dear Richard,

Please find enclosed a check for \$6,161.98. Thank you very much for the splendid work you've done.

I also appreciate your support of the School. The School is doing very well with 18 students from around the country attending. And now that the seminars are held in the evenings, they are more popular than ever ( a seminar schedule for this semester is enclosed). Around 45 people attended Bob Venosa's seminar on "The Celestial Artisans" (altogether as many as the room would accomodate). Bob also presented the School with a very beautiful original painting. Bob will be back again next year, and is preparing yet another painting for the School.

We are in the process of compiling more detailed information on the plans and activities of the School -- which I will be sharing with you. We are also putting together a Board of Trustees for the School, and I hope that you may consent to becoming a member.

I trust that you are well, and I look forward to talking with you sometime.

Peace & Blessings,

John D. Hay
