“Marriage is the mother of all human institutions, for it leads directly to home founding and home maintenance, which is the structural basis of society.” ~ p. 939*

*"Two pampered and spoiled youths,
educated to expect every indulgence
and full gratification of vanity and ego,
can hardly hope to make a great success
of marriage and home building ~
a life-long partnership
of self-effacement, compromise,
devotion, and unselfish dedication
to child culture."*
