

Dear Friends:

5-29-84

Thank you so much for the Boulder School brochure. I am so delighted at finding out about your school. I am sending a couple of names of persons who attended my classes in Santa Monica, Ca. (perhaps I should explain that, I taught the concepts in the Urantia Book for thirteen years- sort of pioneered in the work.) You may have these names, but I think they might be candidates for your school. I am hoping you will send them your brochure:

✓ Dorothy Cooper. 553 Taquitz Place. Pacific Palisades, Ca.
90272

✓ Marilyn & Malcolm Neal. 1407 Oak Street, Santa Monica, Ca.
90405

Thank you so much,
(you will be in my daily prayers from now on)
