Dear Friends,

The Rocky Mountain Urantia Society of Denver and the Boulder School are pleased to announce the following upcoming seminars, which you are cordially invited to attend:

OCT. 4 & 5

GROUP DYNAMICS: LIVING AND WORKING IN GROUPS" by Peter Laurence.

The art of successful group functioning is the key to the future of any organization, for the potential of a co-operative group is far in excess of the sum of its individual parts. Peter will be discussing group synergy and the parts we can all play as individuals.

PETER LAURENCE is a graduate of Columbia University where he majored in Educational Administration. He has spent most of his career teaching in public school system, and is now engaged in an interesting team-work with his wife, in which they are both part-time in their careers, and part-time in volunteer capacities. Peter has been a student of The Urantia Book since the early seventies.

OCT. 25 & 26

"LIVING IN CAHOOTS WITH OUR HEAVENLY FATHER;
THE DYNAMICS OF GOAL SETTING" by Will Sherwood.

A look at the importance of living a balanced life through the selection of specific goals in partnership with our Heavenly Father, including practical techniques in goal setting.

WILL SHERWOOD is a corporate communications designer living in Los Angeles, California. Helping him with this seminar will be his wife, Corlin Renn Sherwood, a third generation Urantian, formerly of Chicago, II.

NOV. 8 & 9

"STAGES OF FAITH" by Merritt Horn.

An exploration of the development of religious faith and its implications for living the religious life. The seminar will not only be descriptive, but also devoted to helping participants to understand and further their own faith development.

MERRITT HORN is one of the founders of The Boulder School. Currently on sabbatical, he has recently completed his first book entitled "The Call of the Spirit".

NOV. 29 & 30

"THE URANTIA REVELATION OF A NEW MODEL OF THE HUMAN CREATURE:
VAST NEW POTENTIALS FOR PERSONAL GROWTH, CREATIVITY, AND
RELATIONSHIP ENHANCEMENT" by Larry Mullins.

Larry will lead us through some of the older views of the human creature (such as the Hindu view, those of Gurdjieff, Freud, Skinner, and Maslow) and end up with a Urantian model, comparing that to other modern views (such as EST, Scientology, two brain theories, etc.).

LARRY MULLINS works in advertising and human resource development in Oklahoma City, OK. He has written several books including "Jesus: God and Man" and "Immature People with Power", and is former president of the First URANTIA Society of Oklahoma.

These seminars will be held from 7:00 P.M. to 9:30 P.M. on their respective dates at The Boulder School. The school is located 1/2 block south of Canyon Boulevard (Route 119) on 18th Street.

We look forward to seeing you here in the near future. May God richly bless you as we continue in his service.

Peace & Blessings
