THE BOULDER SCHOOL
for
Students of The URANTIA Book
1622 - 18th Street
Boulder, Colorado 80302

August 12, 1985

Dear Student:

Welcome to the experience of a lifetime - the Boulder School's singular preparation of dedicated students to meet The URANTIA Book's challenge of that "limitless expanding of never-ending, ever-widening spheres of opportunity for exhilarating service, matchless adventure, sublime uncertainty, and boundless attainment" (1194).

The 1985-1986 school year will begin on Monday, September 9, 1985. Classes will be held for three and a half hours from 9 A.M. to 12:30 P.M. on three days a week, Mondays, Tuesdays and Thursdays. For the present, there will be no evening classes.

The tuition fee, due in advance, is \$200 per quarter (three quarters per school year). Students not paying this fee in advance will not be admitted to the classes. There will be no tuition projects or scholarships offered this year.

Enclosed is an outline of the topical studies to be covered during the 1985-1986 school year. Also enclosed is a "Declaration of Intent" form. Please complete this and return it to us as soon as possible.

If you have any question, please do not hesitate to write or call me at (303) 443-8154 (School office) or (303) 443-2450 (Home).

We look forward to seeing you soon.

Peace and Blessings,

Lou Meyer
Secretary
