

12-30-85

Dear Lou,

Thank you for your interest in the intro. The Foundation has requested that I not distribute any more copy until copyright problems are resolved, so I'm not filling any quantity order, only a single copy for review purposes, if you would like more copy for the school, I personally feel that would be fine, especially if they make it a special project to help me edit it before a final printing.

Thanks again

Sincerely

Cliff Jarman
