Students of The URANTIA Book

This is a list of our presently available study aids.

While we have video taped all of our seminars, we have at present available for distribution only two of them. Others will be available as we have time and funds to edit them. The two available are:

1. "Principles of Outreach Ministry" by Meredith Sprunger.
2. "Emerging Theories of Reality" and "Universal Wholeness" by Bob Hunt.

These video tapes are sent on loan (We do not sell any tapes.), but because of the limited supply of tapes, we can send only one tape at a time. We will send the second tape, if you want it, after you have returned the first one. And we ask that you keep any one tape no longer than four weeks. We are asking a \$10 refundable deposit plus a donation for each tape.

We have for loan the following audio tapes of Wm Sadler, Jr.: one tape on the FORWARD, four on THE ABSOLUTES, and one on THE MASTER UNIVERSE. We will usually send two audio tapes at a time. We are asking a \$5 refundable deposit plus a donation for each cassette.

We also have for loan, on similar conditions, 6 cassettes of our 1985 SUMMER INTENSIVE:

1. "On Being Personal and Bearing the Fruits of the Spirit" by Errol and Rochelle Strider.
2. "Jesus' Method of Personal Ministry (Sides 1 & 2) by Marvin Gawryn.
3. "Jesus' Method of Personal Ministry (Side 3) by Marvin Gawryn and "Personal Ministry and Character Development" (Side 1) by Stan Hartman.
4. "Personal Ministry and Character Development" (Sides 2 & 3) by Stan Hartman.
5. "Panel Discussion With All Workshop Presenters" (Sides 1 & 2).
6. "Panel Discussion With All Workshop Presenters" (Side 3).

"EVOLUTION OF LIFE ON EARTH", a chart prepared by Saskia Raevouri, is available on two 12 x 17 in. sheets of extra strong paper. These are mailed in a tube for protection, and a donation is asked to cover cost of printing, packaging, and mailing.

We are working on other study aids. Among these are detailed outlines of all the papers in The URANTIA Book. We have completed Part IV and have requested approval of them from the Urantia Foundation before making them available to the public. Hopefully these will be ready for distribution in the not too distant future. Let us know if you are interested in this kind of study aid.

ADDITIONAL AUDIO TAPES AVAILABLE

1. Besides the 6 tapes by Wm Sadler, Jr mentioned on page 1, we have an additional 22 tapes of his talks. These 22 cassettes cover a variety of subject matter and have not yet been titled. We do hope in time to edit them for titling.
2. We are also beginning to make some of our seminar video tapes available on cassettes. At present we have only 2 seminars thus prepared: Meredith Sprunger's "Principles of Outreach Ministry" and Will Sherwood's "Living in Cahoots with the Heavenly Father". We need more time and funds before we will be able to edit more videos for cassette taping.

N.B. The terms for borrowing (we do not sell any tapes) any cassette are the same as indicated on page 1. We will usually mail no more than 2 cassettes at a time.
