Dear John,

It was good to see you and talk together after a year.

Regarding our discussion of teamwork on the newsletter for study groups, that ~~it~~ is proceeding committee-wise.

The Education Committee is preparing a survey to discern what needs are felt by (some of) our prospective recipients.

A concern has also been voiced that my own products not occupy too large a proportion of what is included.

So some of what we talked of should eventually be actualized.

I would also like to remind you of your intention to check your records and straighten things out regarding money you said you intended to pay me a year ago. Interest on \$3000?

I wish you a happy summer and good efficiency in planning for another Snowmass conference.

Sincerely,

Jeff
