

July 8, 1973

Dear Jim,

Thanks for giving such a delightful presentation, sparkling with so much good humor.

It was our great pleasure to have gotten to meet you and we shall look forward to the next time.

Keep up your good work. Julia thinks very much of you and your friends, and I know she is depending on you, as we are.

Christy and I send our very best to you and Sue.

Sincerely,  
Christy & Martin
