Clyde wants this published.

14. Clyde Bedell: THE UNIVERSE CHANGING FRONT: The only controversial talk at L.A. A committee termed it "political" and refused to distribute it for FUSLA unless names of organizations and individuals called "enemies of God" were deleted by Mr. Bedell. He refused to alter what he had delivered. You may order the copyrighted talk and the criticisms and his responses, direct from him. 120 Camino Alto, Santa Barbara, 93103. 40 pp. (Money back if not satisfied)
\$1 per copy

Did this drop out of my last
mailing to you? For use if there's
another bulletin
to attendees.
