Dear Jim:

Some of our Urantia Members are receiving high honors and that is good news to share:

Duane Faw- Enclosed

Sue Kantor- became R.N. recently (Member-at Large

Nancy Grimsley received high honor of Distinguished Service Award for Superior Performance as an Administrator for the University. This also has a nice monetary award with it. This honor is very rarely given and Nancy is too modest to ever mention it. If you want more details call

The more Study Groups that sprout- the better and if you can do a special article again encouraging this please do as that was one of our biggest charges.

My personal goal for 1975 as Field Rep. is to help organize 100 during the year of 1975. So far I have helped with six so I must get busy. HELP ME.

A good one was started in Albuquerque by Dorothy Elms and Edward Oscarson 9 (Meteorologist and Weather Bureau) 6916 Christy Ave. N.E. Albuquerque, New Mexico 87109

Dorothy's address there

Good luck on Agondonter and don't rush it as you just got a small one out for the conference which was great.

Love to you and Sue,

Julia
