

1973 was a busy and productive for FUSLA and November'and December's meetings drew well over sixty enthusiastic southern californian URANTIANS to each gathering. At the Brentwood School auditorium on November 4th Bob Boden, A FUSLA member from Fullerton, gave a most unique and inspirational talk on personality especially the personalities of the 16th American president, Abraham Lincoln, and the human personality of Jesus of Nazareth. Bob's talk delved into the home lives of both of these men and how the influence of the home later proved to be the the foundation of some of their greatest decisions. The presentation was dynamic, insightful, and well researched. After a most provocative discussion following the talk, Bonnie Abbott, our most gracious hospitality chairman, hosted the gathering with a w a bounteous array of delicacies and delights. Everyone had the opportunity to meet with new many new people and visit again with old friends.

~~XXXXXXXXXX~~ At our meeting in December, the Reversion Directors had their day as the Fullerton Art Players, ~~XXXXXXXXXXXXXXXXXXXXXXXXXXXXX~~ hosted the FUSLA Christams Party and presented a series of ~~XKXXX=X~~ humorous skits ~~XXXXXXXXXXXXXXXXXXXX~~ depicting the hysteria of Urantia in a plum loco universe. We watched a violet man and an evolutionary Sangik meet outside the garden wall and solve a most unusual problem, how to get an unruly Fandor back in the air. The following skit took us to the Ressurrection Halls of Mansion World one where we witnesssed two overworked mansion world greeters waiting for a new arrival from Urantia.

Ever wonder what it would be like to play the Urantia Game? The next skit took us to a hypothetical future where we dropped in on a game in progress. There are some tough questions to answer...like. Who is Malvorian? or... How many Senior Archangels are assigned to each Avonal on a planetary mission?

The Fullertopj Art Players then gave us an idea what it might have been

as the women evangelists took on other than womanly tasks and began preaching the gospel of the kingdom on the Master's command.

To end the afternoon of merriment, Jim and Sue McNelly were pictured in their declining years having a young man over for the evening to discuss the Urantia Revelation.

FUSLA salutes Jim and Sue McNelly, Bob and Cheryl Boden, Pat and Vicki McNelly, Jim English, Fred Shupp, and Jerry Ricci for their hard work and obvious time and effort into making the afternoon's entertainment a grand success. Costumes, make-up, props, lighting, and most of all love make the Christmas Party the high point of the the year for FUSLA. A delicious pot-luck awaited everyone after the play and everyone was surprised by the visit of Hoite Gaston, a FUSLA Member now living in Wisconsin. Jim English and Jerry Ricci combined their musical talents and sang a song Jim had composed, called "I think I've got a Clue" which captured the attention of everyone and the afternoon ended in a that same wonderful spirit which has come to mean so much to our growing brotherhood of believers in the teachings of the URANTIA Book.
